BISHOP'S BLESSING ON PEOPLE AT DEDICATION MASS

## History of Our Lady of Hungary Parish

**I**N 1910 a little church was built on South Catalpa on property since purchased by the Studebaker Corporation for expansion of their foundry. The little church was a mission from St. Stephen's Church built to counteract a schism. Rev. Lawrence Horvath was pastor of St. Stephen's at that time. For most of the following years Rev. Paul Miller, C.S.C., came from Notre Dame to take care of the little mission church, named in honor of Our Lady of Hungary. The records of Baptism and other sacraments were kept at St. Stephen's.

In 1921, Rev. Geza Györfly, who had recently come from Hungary to Toledo, was invited by Bishop Herman Alerding to come to South Bend and to start a parish at Our Lady. Fr. Györfly came in December of 1921. He organized the parish, purchased property on West Calvert St., had the little church moved to the new site, built the rectory, the school and the convent. He acted as pastor until 1935, when because of ill health, he asked to be relieved of the burden of a large debt, asked and obtained a smaller parish at Gary, Indiana. Assistant to him were Fr. Charles Scholl, Fr. Carl Schnitz, Fr. Jerome Walski, Fr. John Woods, Fr. Sergius Kafka, O.F.M. and Fr. John Sabo.

When Fr. Györfly left South Bend, Bishop Noll appointed Father Sabo to be pastor. He had been with the parish as assistant since July of 1930. He took over the parish as pastor on February 1, 1935. Assistants during these years were Rev. Vincent Mooney, Fr. Ted Janicki, Fr. Jerome Walski, Fr. Edward Rozwog, Fr. Ignatius Vichuras, Fr. Edward McCarthy, C.P.P.S.; Fr. Anthony Rzeszutek, Fr. Edward Keever and Rev. Joseph Lenk. The present assistants are Fr. Martin Horvath who came after his ordination in 1943, Fr. Stephen Stephenson, who came in 1944 and Fr. Raymond Balzer who came after his ordination in 1949.

In the past 10 years the parish purchased more property so that we now own practically two blocks on West Calvert Street. The old debt has been paid and a new one made. Funds were raised for a new church and when the parish had over \$175,000.00 the new church was begun.

Herman Goul and Sons of Chicago were the architects. Peter Schumacher and Sons of Mishawaka, were the contractors. Ground was broken in the summer of 1948. In the early fall, excavation started and by Christmas of 1949, the church was far enough completed to use for services. His Excellency, John Francis Noll with the help of the Chancellor of the diocese, Msgr. Charles Feltes, the Assistant Provincial of the Holy Cross Order, the

President, Vice-President and other priests from the University, with pastors and assistants from the city and nearby parishes, dedicated the church on December 18, 1949. The Mass was celebrated by the pastor Rt. Rev. Msgr. John S. Sabo, Deacon of the Mass Rev. Martin Horvath, Sub-Deacon Rev. Raymond Balzer.

The newly formed choir under the direction of Prof. Carl Mathes, sang a Mass written by the professor, for the occasion and dedicated to our Most Reverend Bishop. The Mass, properly was entitled Mass of Our Lady of Hungary.

The beautiful church will not be completely furnished on the inside until the debt on the church structure is reduced to some extent.

The pews have been ordered. A new organ is being built and will be installed very shortly. The Stations of the Cross are being painted by Mrs. Elizabeth Kormendi, an internationally famous artist. The Rose window on the front of the church the donation of the Weisser family is already installed.

The tower of the church would not have been built at this time but for the fact that a memorial to our war dead was fitting. In the summer of 1948, it was decided to have a memorial in connection with our new church. A donation of \$2,000 by the American Legion Post 272, started a fund raising campaign, which resulted in the purchasing of a new car to be raffled at a carnival to raise funds to help pay for the tower and to insert a shrine in the tower. Rev. Joseph Lenk, just returned from the wars devoted himself heart and soul to this project known as the Purple Heart Memorial. The carnival was a fine success.

The tower has on it a beautiful statue of Our Lady, the work of Eugene Kormendi, sculptor in residence at Notre Dame University. It represents a donation of \$1,000 by Mr. Kormendi. The memorial shrine also contains a synthetic marble figure of St. Michael the Archangel, a gift from Mr. Kormendi. The shrine, too, has an altar, names of over 18 war dead and other dead, members of Post 272 and friends of the Purple Heart Memorial tower. The dedication of the memorial, window, altar and shrine is set for May 21.

We hereby thank everyone who has helped to make our New Church a reality.

The school was built in 1927 and 1928. The sisters who kindly agreed to teach are the Daughters of Divine Charity. It so happened that the first Superior was Sister Gabriella, now again the Superior. The sisters teaching at present are: Sister

Gabriella, Sister Martina Ass't. Superior, Sister Sylvia, Sister Olivia, Sister Monica, Sister Germain, Sister Lucy, Sister Bernice and Sister Romualda. Due to our large first grade we have it in two sections. Miss Margaret Mary Miller is the teacher to help the second section. We have had some vocations to the sisterhoods. To the Daughters of Divine Charity:

Miss Matilda Nemezc, Sister M. Dolores, F.D.C.  
Miss Anna Szalay, Sister M. Melanie, F.D.C.  
Miss Gizella Fuzy, Sister M. Marietta, F.D.C.  
Miss Anna Torma, Sister M. Scholastica, F.D.C.  
Miss Julia Toth, Sister M. Angelica, F.D.C.  
Miss Theresa Toth, Sister M. Loretta, F.D.C.  
Miss Theresa Kodba, Sister M. Perpetua, F.D.C.  
Miss Helen Klebusits, Sister M. Gonzaga, F.D.C.  
Miss Sophie Szoke, Sister M. Antoinette, F.D.C.  
Miss Margaret Prister, Sister Madeline Sophie, C.S.C.

Mr. Alexander Cifra, Brother Berchman, O.F.M.

The first donation to the new church was made by Our Bishop more than a dozen years ago when he cancelled a note amounting to \$6,000; times were very hard, and our debt was great. On asking for a consideration, our good Bishop said, "I cannot cancel it at once, but will over the years, provided you do not regard it as a cancellation,

but as a donation toward a new church which your parish needs so badly." That is why, on our dedication plaque, our Bishop has a special mention.

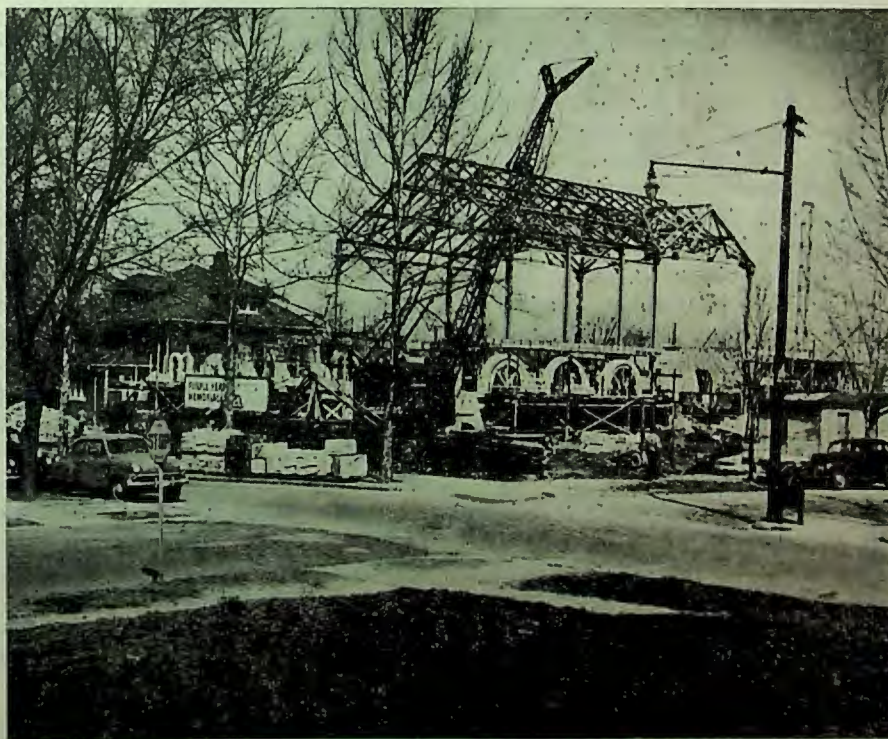

There are many other donors. Mr. Kormendi donated his work on the statue atop of the tower shaft. This would amount to about \$1,000. He donated the St. Michael in the memorial. Mrs. Kormendi is painting the new stations as a gift; this also will exceed \$1,000.00 in value.

Prof. Mathes, along with donations in cash, has donated time to work with our choir, and we must not forget the value of the Mass he wrote for the dedication of our church.

Many of our parishioners donated time to tear down the old church and to work on the grounds. There will be more work and good men and women will donate more. We thank all of them.

Every parishioner deserves thanks. You are all commemorated in bronze in the vestibule of the Church. May God bless you.

This is the financial report for 1949. Though it is later than usual in its appearance, we call to your attention that we closed the books on December 31. Donations thereafter do not appear herein. They will appear in the next report. There have been some substantial donations since the first of the year.

CHURCH UNDER CONSTRUCTION

## A Magyarok Nagyasszonyáról nevezett plébánia története

**E**ZERKILENC SZÁZTIZBEN kis katolikus magyar templom épült a Catalpa-utca déli részén, melynek telkét azóta a Studebaker társaság vásárolta meg öntödéjének kibővítésére. E kis templom mint a Szent István templom filiája a kis south bendi magyarok hitbeli szétszakadásának ellensúlyozására létesült Ft. Horváth Lőrinc, a Szt. István templom akkori plébánosa idejében. Hasszu éveken át Ft. Miller Pál C.S.C., a Notre Dame egyetemről járt ki e kis, a Magyarok Nagyasszonyáról nevezett templom ellátására. A születési és más anyakönyvek a Szt. István plébánián őriztettek.

1921-ben Alerding megyéspüspök az akkor Magyarországból Toledoba érkezett Ft. Györffy Gézát hívta meg South Bendbe a Magyarok Nagyasszonya plébániájának megkezdésére. Ft. Györffy még az év decemberében megérkezve megszervezte a plébániát, telket vásárolt a West Calvert utcán, oda telepítette át a kis templomot és építette a mai plébánia épületet, iskolát és az apóca-zárdát. Ő mint plébános sikerrel működött 1935-ig, mikor is betegsége és a munkanélküliség miatt beállt nyomasztó adóssági terhek következtében kérésére a püspök őthelyezte őt a kisebb Gary, Indiana városbeli plébániára. Az ő ideje alatt segédlelkészek voltak: Ft. Schall Károly, Ft. Schnitz Károly, Ft. Walski Jeramas, O. S. Fr. és Ft. Szabó János.

Ft. Györffy távoztával Noll püspök őexcellenciája Ft. Szabó Jánost nevezte ki plébánosnak, ki már 1930 júliusától mint segédlelkész itt működött. Ő mellette mint segédlelkészek voltak: Ft. Mooney Vince, Ft. Janicki Ted, Ft. Walski Jeromos, Ft. Rozwog Edward, Ft. Vichuras Ignác, Ft. McCarthy Edward, C.P.P.S.; Ft. Reszutek Antal, Ft. Keever Edward és Lenk József. Jelenlegi segédlelkészek: Horváth Márton, ki felszentelése után 1943-ban jött, Ft. Istvánffy M. István 1944 óta és Ft. Balzer Raymond mint ujmisés 1949 óta.

Az elmúlt tíz év alatt a plébánia több ingotlant vásárolt, úgy hogy most csaknem két egész háztömb a plébánia tulajdona. A régi adósságtól megszabadultunk és ujat csináltunk az új templom építéssel, melyhez eleve már 175,000 dollárt gyűjtöttünk.

Az új templom építései a chicagói Gaul Herman és fiai, míg az építővállalkozók a mishawakai Schumacher és fiai voltak. Az alapkielölés 1948 nyarán kezdődött, a földkivájás pedig az első helyiségek részére még az évi korai ősszel és az 1949.

PAGE TEN

évi karácsonyra az új templom használható állapotban lett. Noll János Ferenc püspök őexcellenciája, Msgr. Feltes Károly egyházmegyei kancellár, a Szt. Kereszt Rend tartományi főnöke, a Notre Dame egyetem rektora meg a helyettese és más lelkészei, a városi és környékbeli plébánások és segédlelkészek segédletével felszentelte az új templomat 1949 december 18-án, a misét Msgr. Szabó J. János plébános végezte Ft. Harváth Márton és Ft. Balzer Raymond segédletével, mikor is a mostanában megalkult templami énekkar Mathes Károly zenetanár vezetése alatt énekelte maga a tanár által ez alkalomra írt és Ő Excellenciájának dedikált Magyarok Nagyasszonya miséjét.

A remek templom belseje csakis akkor lesz egészen bebutarozva, ha az eddigi építési adósságot valamennyire lecsökkentettük.

Az új padok meg vannak már rendelve. Az új orgona is építés alatt van és pünkösdre biztosan készen is lesz. A Keresztut állomásait Kármendi Erzsébet nemzetközi művész festi. A homlokzati festett üvegablak pedig, a Weisser-család ajándéka, máris emeli az új templom szépségét.

Maga a templom tornya mintegy alkalmasszerűleg épült hadi emlékül és az elesett hőseink neveinek megörökítésére. 1948 nyarán közóhaj volt, hogy ezen emlék új templomunkkal kapcsolatban létesüljön. Az Amerikai Légierő 272. állomásának 2000 dolláros adományából vásárolt autónak a sikeres népünnepély alkalmából való kisorsolásából jött létre az alap a toronyra és az abba épített remek külső oltár. Ft. Lenk József, a háborúból visszatért buzgó hadilelkész gondolata testesült meg a VÉRT ÁLDOZÓ hősök ezen emlékművében.

A tornyot disziti a Szűz Anyó szép szobra, Kármendi Jenő, a Notre Dame egyetemén működő szobrász alkotása és \$1000 értékű ajándéka. A külső toronyoltáron lévő mű-márványból készült Szent Mihályt óbrázoló dombormű szintén az ő adománya. Maga ezen oltár felett olvasható a 18 hősi halott neve a 272. állomásról és az emlékmű barátai köréből. Ünnepélyes felavatása ezen emlékműnek ez évi május 21-én lesz.

Ez alkalmából is hálás köszönet mindazoknak, akik új templomunk létesítéséhez bármiképp is közreműködtek.

Katolikus iskolánk 1927-28-ban épült. Az Isteni Szeretetről nevezett apócák voltak szívesek elvállalni benne a tanítást s így esett meg, hogy

Gabriella akkori főnöknő most újra a mi főnöknőnk. A jelenlegi tanító nővérek: Martina h. főnöknő, Sylvia, Olivia, Monika, Germain, Lucia, Bernice és Romualda. A túlnépesége miatt kettéosztott első osztály második részének tanítója pedig jelenleg Margit H. Miller kisasszony.

Hitközségünkben évek folyamán apácák lettek:

Nemecz Matild, mint M. Dolores, F.D.C.

Szalay Anna, mint Melanie, F.D.C.

Füzy Gizella, mint M. Marietta, F.D.C.

Torma Anna, mint M. Scholastica, F.D.C.

Tóth Julia, mint M. Angelica, F.D.C.

Tóth Teréz, mint M. Loretta, F.D.C.

Kodba Teréz, mint M. Perpetua, F.D.C.

Klebusits Ilona, mint M. Gonzaga, F.D.C.

Szőke Zsófia, mint M. Antoinette, F.D.C.

Priester Margit, mint Madeline Sophie, C.S.C.

Mig Cifra Sándor, mint Br. Berchman, O.S.F., szerzetes lett.

Uj templomunkra az első adományt megyés püspökünk Ó Excellenciája adta, mikor mintegy 12 év előtt nyomasztó adósságunkból fokozatosan 6000 dollárt engedett el, ha ezt nem adósságtörlesnek vesszük, hanem adománynak új templomunkra,

mire égető szükségünk volt, mint ezt templomunk falán már ércbetűk hirdetik.

Más ajándékozók is voltak, mint Körmen di szobrász a toronyra helyezett Szűzanya és Szent Mihály szobrával és Körmen diné a keresztut képeinek festésével, mi külön-külön több mint 1000 dollárt képvisel.

Mathes Károly zenetanár készpénzajándékkal kapcsolatban értékes idejét ajándékozta az új templomi énekkar szervezésével és begyakorlásával; de legkiválóbb a templom felszentelésére szerzett Nagyasszonyunk Miséje.

Hiveink közül sokan értékes munkájukat ajándékozták a régi templom lebontásával és a telek elrendezésével. Köszönet nekik és minden új munkálkodónak. Minden hívőnk hálára érdemes, mit a templom előcsarnokában ércbetűk fognak hirdetni sokáig.

Ez hitközségünk évi vagyoni kimutatása az 1949-ik évről. Bár kissé későn jelenik meg, meg kell jegyeznünk, hogy könyveinket december 31-én lezártuk s így az azután beérkezett ajándékozások ebben nem foglaltatnak, hanem majd a jövő éviben, még pedig nagyon is figyelemreméltó összegekben.
